Letter from your Commodore

Hello everyone,

If you have not heard by now the First annual dinghy race was a tremendous success. Great job by Rear Commodore Joey Gary and his whole committee.

Thanks to the Spitzer Group For a very Nice Pig Roast and Entertainment. The weather certainly did not dampen any "party Spirit" The food was great.

Membership in our club has been increasing steadily. We have discussed the clubs remodeling with Nate Zaremba and the second set of plans look very nice. The committee involved is looking at all options as well as cost to the club. We should make a decision around September. We will keep you informed.

I hope you have had a chance to visit the Wheelhouse we have had many fun nights there. Check the Website for upcoming entertainment. Many people commented to me about the "Boogie Men" look for them to be back in September.

On your next trip to Put in Bay make sure you check out the Commodore wall for ILYA, Westlake Yachting Club is up there through Our Past Commodore Richard McKee who is now Commodore of the ILYA. This wall has plaques of all the Commodores of ILYA as far back as 1894.

Remember the Cedar Point cruise is in August this is sure to be fun.

Ways and Means

We would like to thank everyone for the Great Response we have received with the purchasing of the inventory items (Old and New). And for those of you that have not seen what we have stop and take a look.

For those of you that have younger children we now have Youth T-Shirts and Youth Sweatshirts.

We also have ladies Tank Tops, and a very pretty Short Sleeve Placket Top.

We have men's twill and denim shirts and a canvas tote bag with a plastic lining. Also, the sideline windbreaker jackets have been a big hit. On this item you can have your boat name added free of charge...

(Up to 10 letters free) Add'l letters there will be a small charge.

But if you choose to have your boat name added to the jacket, a new jacket must be ordered.

The jackets in stock are sold as seen.

If you are adding your boat name Terri has a sample of the various ways your boat name can be printed with the logo.

If you have any questions you can let Terri know or you can call a member of Ways and Means.

Thanks Again for Your Support
