Summer has finally started with a vengeance. The first cruise to Huron is over. It was a great time for everyone. The ladies made their usual reservation, and the men tried to stay cool by drinking a lot of liquids while waiting for them. Next trip is Kellys Island, so be sure to put in your reservation. The more boats the more fun.

Vice Commodore – Kenneth Klein

It has been warm and sunny and the marinas have been busy with families out to enjoy the summer months. I'm hoping that everyone has had an opportunity to get out and enjoy the warm weather that seemed to elude us for so long.

While you are out make sure to stop in the Wheelhouse, say hello, have a cocktail, a bite to eat and relax. Don't forget to check the WYC Calendar of events and activities and join in. There is something for everyone.

The 2010 Spirit of America Youth Boating Safety Education Program is up and running and the group this year is fantastic. There were 47 teens and 3 adults (parents) who completed the OBEC (Ohio Boating Education Course) portion of "Spirit" and have passed the test to receive their OBEC license. They all should be congratulated for a job well done. In fact, you may have seen the students out by the "Spirit" trailer preparing for their on-water boating experiences or maybe even out in the harbor or in the river. They are our future generation of boaters.

Before going out for a day on the water, be sure to check your safety gear on your boats and make sure that everyone on board knows where the gear is and how to use it in case of emergency. Make every day safe and enjoyable.

Remember: Be Involved and "May Your Sails be Full of it".
Respectfully submitted,

Ken Klein / VC
