Well the boating season has started, but I don't think anyone has told the weatherman. Still seems to be a lot of boats on land rather than in the water.

Well the one month membership to dockers and Harbor Walk residents is about to end with some success. We did get a few new members from the drive and saw a lot of new faces. The opening of the Wheelhouse was probably one of the best we've had - now we have to keep it going.

Our steak fry turned out great. The steaks were delicious and the weather co-operated.

I'd like to thank each and everyone who helped out. It's the volunteers who help make all our functions a success.

Vice Commodore – Kenneth Klein

Here we go folks, we've waited long enough... The boats are finally uncovered and being washed, waxed and the docks are showing signs of activity. The sun is out and the temperature is finally getting into the comfort zone. Yes, summer is finally here.

The Wheelhouse has been open for quite a few weeks now and is being enjoyed by many. There have been a lot of new faces coming in to join us and so many of our members have volunteered their time I hesitate to list the names for fear of missing someone. Thanks to all!

Don't forget to check out the 2010 WYC calendar of events. I'm sure you will find many activities that will make your summer fun and enjoyable for your entire family.

I hope to see you all soon,

Remember: Be Involved and "May Your Sails Be Full Of It".
Respectfully Submitted,
Ken Klein/VC
