Hello Everyone,

Westlake Yachting Club Members, welcome to the 2015 season! There's a lot of new stuff this year. New and added TV's in the Wheelhouse, a new cook in the kitchen, new events and new members.

May is going to be a busy month. Our Grand Opening is May 2nd starting with the Kentucky Derby Party! There will be food and drink specials. Don't forget to wear your most elegant or most creative hat. There will be prizes for the winners and all participants will receive a complimentary drink! So get those hats ready and come join the fun! Entertainment will follow with our new house DJ, David Perrier, if you want to hear it, he'll play it.

The following weekend is Mothers Day and as usual all moms eat for free at the Sunday Buffet.

Our monthly Board meeting is on the 13th. We've seen some new members attending and that's great. I'm hoping we see even more. We have open positions on the Board. If you have any interest in becoming more involved please let me know.

Our New Members Welcome Party is Friday the 15th. There will be complimentary food for all from 6:00-8:00 and entertainment from DJ David. To all new members, please remember, it can't be a party without you.... All Bridge Officers and Board Members will be there.

The following weekend is Memorial Day Weekend starting with a BBQ Chicken Deck Party on Saturday. By popular request we WILL be open on Memorial Day with a limited menu. Please enjoy the weekend and take advantage of the Wheelhouse being open.

Hope to see you all soon,

SPECIAL ANNOUNCEMENTS

Vice Commodore – Capt. Jeff Robb

Well welcome to May! I think we have all been hoping for better weather. Let's hope May treats us much better than April has. That said, the Westlake Yachting Club has many events scheduled for 2015 that I hope you all will join us. We have added TVs to the Wheelhouse and I would like to thank Captain William Robb for all his work and effort to get that job completed, I personally think they look wonderful.

Please join us May 2 for the official Grand Opening of the Wheelhouse as well as the Kentucky Derby party, entertainment will be D.J. David Perrier. Also in May we will be having a Mothers' Day brunch on May 10. May 15 we will be having a new member open house. Please come and welcome all the new members that have joined this year and on May 23 there will be a chicken barbecue & deck party.

Please come and show your support for your Club!

Capt. Jeff Robb
Vice Commodore

Rear Commodore – Rick Case

It was good to see familiar faces at the Wheelhouse this past weekend. Please come and support the Club. We have good food and lots of great people to meet.

We are getting closer to one of our biggest events, the Steak Fry. We need people to help plan the event and to assist in running the event. The more people we can get, the easier it will be.

If you have a little bit of time to volunteer for the Steak Fry, we are having a Steak Fry Committee meeting on Wednesday, April 29th at 7:00 pm at the Wheelhouse. The meeting will be brief. If you can, please join us for the first meeting.

Rick Case
Rear Commodore

A MESSAGE FROM BOAT US

One-Button Assistance for Boat Breakdowns Just Got Better

BoatUS Towing App Adds Weather, Tides and More

ALEXANDRIA, Va., April 22, 2015 – When you respond to over 70,000 requests a year from anxious boaters calling for help to get home, speed wins the day. The BoatUS [Towing App](#) gives the on water and roadside towing service's 24/7 Dispatch Centers instant boat location information that greatly reduces towboat response times. Now the app offers upgrades including weather provided by Weather Underground and tide information, making it even more valuable to boat owners. The no cost app is available at the App Store and on Google Play, and BoatUS membership is not required.

"If you need a boat tow, fuel, a gentle pull off the bottom, or your trailer has a mishap, the BoatUS Towing App is your friend," said BoatUS Vice President of Towing Services Adam Wheeler. "All it takes is one touch on the app's 'Call for a Tow' button and we'll have assistance on its way. The new weather information and tide predictions helps plan a boating and fishing trip, giving forecasts up to five days out."

The second generation app includes a tool to locate discounts available to BoatUS members, including price breaks on boat fuel at marina gas docks, transient dockage, repairs and many others. And there isn't a boater who doesn't want their picture taken aboard, so the app has added a fun "Take a Picture" feature that allows you to share a photo on Facebook, Twitter or with your boating friends at Boat Owners Association of The United States. Go to BoatUS.com/app for more information.
