Commodore – John Lively

Hello Everyone,

Membership growth has been incredible this year and I want to thank everyone for their efforts. On August 21st we hosted a "Meet and Greet" for Lakeside dockers to show them what we have to offer. This event was put together by the membership committee and lead by Trustees Kristy Cain, John Sinclair and their spouses. Thank you for your extra effort.

On September 26th we will have our Annual Clambake and Silent Auction. This is our biggest fundraiser of the year. We will need volunteers to help ensure the success of this event. Please let any board member know if you'd like to help. We will be scheduling an entertainment committee meeting dedicated solely to this event.

Our elections will be held October 14th. We have several positions we need to fill. There are 2 open Trustee positions, Secretary, Treasurer and Rear Commodore. Please call me at [440-679-1437](tel:440-679-1437) or email me at jliveortho@aol.com if you or anyone you know is interested in any of these positions.

Our next monthly meeting is September 23rd and I hope to see you there.

Respectfully,

Commodore John Lively

Vice Commodore – Capt. Jeff Robb

Well welcome to September! It is been a wonderful boating season thus far and soon we will need to start thinking about getting the boats out of the water, but before we do, there are still plenty of things to do at the Westlake Yachting Club. Please come into the Wheelhouse and enjoy all of the events that we

have going on. Obviously in September the primary event is our big fundraiser which is the annual clambake and silent auction. Please remember to bring in a gift for the silent auction to be auctioned off and hopefully will have a big turnout this year remember there is an incentive for getting your tickets in early.

Also as we start thinking about next year we have some open positions available for the Board. If you are interested in being a Trustee, Secretary or Rear Commodore for the Westlake Yachting Club please feel free to contact me, the Commodore or the Rear Commodore for a chat about that opportunity.
