**Letter from your Commodore**

Hello everyone,

Hope everyone is enjoying their boating season. Although Mother Nature has played havoc on the weekends.

The recent cruise to Cedar Point Marina was a lot of fun. Many enjoyed a day in the park. We also met up with The Point Yacht Club for Food, Drinks and entertainment. We have had a lot of great times with this club at Huron and Kelly's Island. We have made a challenge to them to visit us next year in Lorain. Unfortunately we had a few cases of the Flu Saturday afternoon. After an Intense investigation it was tracked back to Past Commodore Wayne Ross's Boat and Particularly the Bloody Mary's Being Served. After a prescribed four hour bed rest most went on to enjoy the evening.

Very nice job by Linda Conners and Joyce Ruf and everyone who help with Taco Night Every one sure looked like they were having a great time.

Information on the remodeling or moving is still not complete. We have had discussions with the parties involved many details to be worked out yet. One of the most important factors in this matter is the financial impact that this will have on our club. I urge all our members to submit your input on this issue by letter or email you can email your bridge at our website at [westlakeyachtingclub.com](http://westlakeyachtingclub.com). There are a lot of issues to consider in these decisions. Hopefully by September's meeting we can have a lot of questions answered.

Election of new officers is in October the nominating committee consist of P.C. Wayne Ross, Jim Forberger, Tony Carpinelli, and P.C. Virgil Rader. Anyone interested in being on the Bridge should contact one of these people.

Plans for the upcoming Commodores Change of Watch are being made now. Mark your calendar for February 19 2005. It will be held at Spitzer Hotel. Further details at a later date.

**Rear Commodore Joey Gary**

WOW another great party, seems things are a changing at the club. A big congrats to the women of the taco night, Joyce, Linda and Kathy, great job. An estimated 200 people, 390 taco's eeeeeeeeeeee haaaaaaaaaaaaa. Thanks again to all the members that attended. I should have the tickets for our Clam Bake by Aug.27<sup>th</sup> anyone wishing to volunteer to sell tickets or any other job, please contact me. As always tell your dock mates about all the fun at the club, get them involved. Sea ya at the club

Smooth Sailing

R/C Joey Gary

### **Ways and Means**

#### **Just a Note:**

Any Special orders may take up to 6-8 weeks. This is because the vendor has to wait until they have enough orders to avoid an overcharge for shipping and handling of a single request. This 6-8 weeks is probably on the long side of the time frame. But we just want everyone to understand why the special orders require extra time.

If you have any questions you can let Terri know or you can call a member of Ways and Means. Thanks again to all who have purchased and enjoyed WYC Apparels
